

K-6 Students Expectations

As students, you have an important role to play in your own School@Home learning. Continuing to be responsible learners as you engage with online learning will require good decisions, a positive attitude, cooperation with parents and teachers, and a generous attitude towards others. We encourage you to read this page with your parents and to WHOK on.

Healthy routines are important for successful learning. Your teachers and parents will help you to set up some good learning habits and practices while you are learning from home.

Learning at home

- Log into your **Google Classroom** at 8.55 am, ready to join your class for the morning Google Meet at 9.00 am sharp. To do this, simply click on the link in the Google Classroom banner. You will see your classmates and hear from your teacher. A great way to start the day! There will be a short devotion and a quick explanation of the day's work tasks.
- Complete the Google Classroom **Literacy and Numeracy** work set by your teacher. This will become available immediately after the morning **Google Meet** each day (at approximately 9.15 am).
- Have a break!
- Log into your Google Classroom at 12.00pm to access the other KLA work set for that day by your teacher/s.
- Do your best to complete each task.
- **Send or return all tasks asked for by your teacher on, or before, Friday each week.**
- Abide by the [Google Meet Appropriate Use Guidelines](#)
- Spend some time each day doing physical exercise.
- Serve your family by doing a helpful chore each day.
- Eat sensible, healthy meals and snacks.
- Get plenty of sleep.
- Email your teacher (or message through Google Classroom) if you have any questions or problems with your work. Your teachers love hearing from you! Mum or Dad may also request a phone call from your teacher by calling the school office.
- **Be actively engaged in learning between the hours of 9.00 am and 3.00 pm.** If you finish your work before 3.00 pm, use the remaining time to:
 - Read a book

- Do some gardening
- Make something out of LEGO
- Draw, paint or create something
- Do some jobs to help your family
- Write a friendly email to a friend or to your teacher
- Get some exercise
- Cook or bake something
- Make a card for someone you care about

WHOK It!
